

**Remarks by H.E. Ambassador Sibi George for
Brahma Kumaris Event – September 16, 2024**

Ladies and Gentleman, members of Indian Community and friends of India in Japan. Good evening to all of you.

It is my great pleasure to welcome you to this special occasion where we come together as a diverse and united community to honor the presence of an extraordinary leader and spiritual guide, Sister Jayanti of the Brahma Kumaris.

It is indeed a privilege to have Sister Jayanti with us today, a person whose life and work have inspired millions around the world. Her message of peace, self-transformation, and universal love transcends boundaries of nationality, culture, and religion. Today, her wisdom unites us—whether we are Japanese, Indian, or from other parts of the world—as one human family.

In Japan, the values of harmony, respect for nature, and the pursuit of inner calm are deeply cherished. Sister Jayanti's teachings align closely with these values, as she emphasizes the importance of cultivating inner peace as a foundation for creating peace in the world. Through meditation and spiritual awareness, she guides us to reflect on our own journey toward personal growth, resilience, and compassion.

For the Indian community in Japan, this event holds a special significance. The Brahma Kumaris, with their roots in India, have spread a timeless message of spiritual awakening across the globe. Sister Jayanti, as a global ambassador of these values, brings with her a deep connection to both India's spiritual heritage and the global mission of creating a better world.

To our Japanese friends and other communities present today, we are delighted that you are part of this gathering. Your participation is a reflection of the universal appeal of the values Sister Jayanti represents—peace, unity, and the power of a positive mindset. This event is a wonderful opportunity for cultural exchange and spiritual reflection, bringing together the best of our shared human experience.

Sister Jayanti's visit to Japan reminds us all of our collective responsibility to promote harmony and understanding in a world that often seems divided. Her life's work is a testament to the idea that when we work together—across cultures and nations—we can create a more compassionate and peaceful world.

Once again, I extend my heartfelt welcome to Sister Jayanti. We are deeply honored by your presence and look forward to the wisdom and inspiration you will share with us today.

Thank you all for being here this evening.
