Hello Sir/Madam,

**Subject: Tender No. CMTI/PUR/09/2023-24/RS/MNTM**

We, Central Manufacturing Technology Institute (CMTI) are An Autonomous R&D Institute under Ministry of Heavy Industries, Govt.of India. Located in Yeshwanthpur Industrial Area, Tumakuru Road Bengaluru 560022, Karnataka, India.

CMTI has hosted a tender to procure a CNC High Precision Micromachining center for R&D activities. The micromachining center is used to machine the components with miniature features, micro parts, micro devices, medical components, electronics devices, MEMS parts, and other precision parts for various industries. The micromachining center consists of the high-speed spindle with ultra-precision guide ways, ball screws/linear motors with a maximum spindle speed of 40,000 RPM or more. The micromachining center should be capable of drilling holes with a minimum diameter of 30 microns and slots of 50 microns and machining hard components up to 60 HRc.

We have floated a Tender Globally to procure the same. Interested agencies/participants can view the tender documents by visiting our website and <https://cmti.res.in/all-tender>

The bidding activity will be closing on 26-12-2024. We also request you to publish the same in your tender portal.

Thanking you in advance for your support.

Regards,
